Have the pupil place a dot (●) at the intersection of the lines representing his score and the test page. After he has taken more than one test, have him connect the dots with a line.

*A—Addition; S—Subtraction; P—Problems; M—Multiplication; MxF—Mixed Fundamentals; D—Division.

RECORD OF ACCURACY

If a daily individual Record of Accuracy is desired, it may be kept on this card.

If a pupil gets every answer on a page RIGHT, have him make a cross (X) after that page number below. If he does not get all answers on a page RIGHT, have him write the number of answers MISSED after the page number.
